

Getting to know you

FIVE MINUTES WITH Bassel

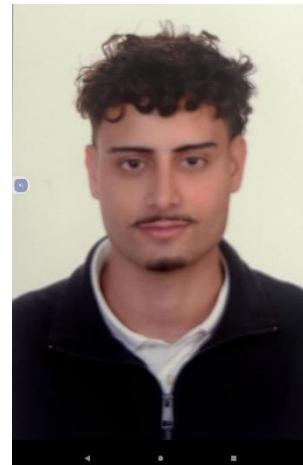

Name: Bassel Louka

Job Title: Undergraduate Engineer

When did you start work at

Monadelphous? November 2025

Reporting Manager: Jason Parslow

What excites you about your role at Monadelphous?

What excites me about my role at Monadelphous is the opportunity to apply what I've learned at university in a real project environment and develop practical engineering, problem-solving, and teamwork skills.

What are you studying and why?

I am currently studying a Master of Civil Engineering at the University of Western Australia. I chose civil engineering because I enjoy being involved in projects that have a tangible impact on infrastructure and communities

Something interesting people might not know about you?

Something interesting people might not know about me is that I was born in Egypt.

What gets you out of bed on the weekend?

Getting outdoors is what gets me out of bed on the weekend. I enjoy camping, sports and hiking.

What's your favourite travel destination and why?

My favourite travel destination is Europe, particularly Italy. I enjoy the mix of history, architecture, culture, and food.
